Shawn Lock

USA

Shawn Lock has over 20 years in program development, training design and management. He has worked with Fortune 500 companies such as Microsoft and Boeing as well as in higher education. As a consultant his training and coaching practice focuses on leadership skills, meeting facilitation, effective one-to-one influencing techniques and group communication methods. Shawn is a certified coach and trainer of NLP. He is also an expert in brain-based and accelerated learning methodologies. He combines a wide-range of disciplines with humor and an emphasis on practical skill development that clients can implement immediately and expand on with practice and experience.

Froylan Puente

USA

Froylan Puente is an experienced business leader, a Certified Quality Black Belt and a qualified Trainer. He is an exceptional Coach and can facilitate high impact strategy sessions and insightful training workshops. Born in Mexico, Froylan studied Actuarial Mathematics finishing in the top five of his class, before having a distinguished career with first GE and AXA in their reinsurance operations, and then as co-founder and President of RADIX Risk Management. Based in Miami Florida he has an in depth knowledge of the US, Latin American and Caribbean markets and has run projects on a global basis. Also with his experience as Adjunct professor at the National University of Mexico and teaching insurance, Froylan is a dynamic management consultant who is highly knowledgeable in both the technical aspects of insurance as well as marketing strategy and client management relationship tactics.

Our qualified coaches operate throughout the USA and Latin American regions.
